

100 % natural

Carrot Shred IQF

Code: 10259

Format

1 x 20 lb

Product description

Our vegetables are harvested at the peak of maturity. They are carefully selected, washed, blanched and quick frozen to lock in the great taste and nutrition.

Preservation

Keep frozen at 0°F or -18°C or below. Do not refreeze if thawed. Can be kept in the refrigerator for 48 hours in a sealed container.

Preparation

For better results cook from frozen. Take out desired amount and return any product not used immediately to freezer.

Suggestion

Ideal in your favorite recipes or simply as a great accompaniment to any entree. Just drizzle with melted butter or sprinkle with your preferred vegetable seasoning.

Ingredients

carrots

Medium-high heat
4 - 5 minutes
